ACCESSIBILITY STATEMENT

OUR COMMITMENT

We strive to make our website accessible to all audiences, including those with disabilities. We have invested time and resources to ensure that our website is easier to use and we will continue efforts to constantly improve the accessibility of our website by actively engaging in ongoing testing, development, and updates.

OUR GOAL

Explorer CU's goal regarding accessibility and usability is to align our website with best practices and standards as defined by the Web Content Accessibility Guidelines (WCAG) and the Americans with Disabilities Act (ADA).

ACCESSIBILITY

Currently, ExplorersCU.com makes available the UserWay website accessibility widget that seeks to provide accessibility in accordance with WCAG 2.0. Simply click the accessibility icon that appears on the upper right corner of the webpage to enable the accessibility menu.

PROACTIVE APPROACH

While we always strive to improve our site's accessibility, we also understand that this is an ongoing process and despite our best efforts to make all pages and content fully accessible, there may be some content that has not yet been adapted to the strictest accessibility standards. We continue to work to identify and evaluate the most appropriate solutions to allow for unhindered use of our website and services by all audiences.
