

MEET YOUR 2021 BOARD OF DIRECTORS CANDIDATES

ANNETTE KOHOUTEK

Annette Kohoutek and her husband, Jerry, are parents to three daughters and one son and are the proud grandparents of five granddaughters and one grandson.

Annette, now retired, served 30 years as an Executive Assistant for Avera Sacred Heart Hospital and on various community boards and committees including the Explorers CU Supervisory Committee.

She has been a member of Explorers Credit Union for 40 years and loves that it is member-owned and not-for-profit.

Annette enjoys volunteering, cardmaking, reading, golf, gardening and traveling.

CARMEN SCHRAMM

Carmen Schramm and her husband, John, and their spoiled Black Labs, Tessi and Maggie, have been a part of the Yankton community for 37 years.

Carmen has been a staple in the community with her background in retail, tourism, marketing and management.

As an Explorers CU member, Carmen appreciates a good financial partner and would like to give back to her credit union by helping others find financial success and empowerment.

She enjoys looking at programs and activities that will add value to members, partners and the communities we serve.

CHERYL SLOWEY

Cheryl Slowey and her husband, Tom, enjoy spending their time with their two daughters and are blessed with seven grandsons.

Cheryl gained experience in problem-solving, directing staff and working on committees during her 50 years as a Registered Nurse / Nursing Supervisor at Avera Sacred Heart Hospital prior to her retirement.

Her belief in the Explorers Credit Union direction and the Credit Union's ability to help others succeed is why she wishes to serve another term on the Board of Directors.

Cheryl's hobbies include gardening, reading and sewing.

LISA KNEIFL

Lisa Kneifl and her husband, Kelly, have three sons, four daughters, one granddaughter, three grandsons and two dogs.

Lisa has owned Twist of Pine for the last 7 years and serves as their designer. She first gained experience with local business and bank interactions through her service on a student board of directors for a local bank.

Her belief that strong leadership and financial planning is something we can all benefit from is why she wishes to serve on the Board of Directors.

Lisa hopes to mentor others on becoming good stewards with our financial resources.
